

Connecticut FY2017 AmeriCorps State & National Grant Awards

Corporation for National and Community Service

Below is the FY2017 AmeriCorps grant funding breakdown for Connecticut. State formula and state competitive funding will be awarded to the Governor-appointed Connecticut Commission on Community Service. National direct funding will be awarded to grantees headquartered in Connecticut that are operating in more than one state. Connecticut AmeriCorps members will also receive post-service Segal AmeriCorps Education Awards to help pay for post-secondary education or pay down student loans. These funding streams all factor into the total award received, shown here:

Funding Type	Amount
State Formula	\$1,729,288
State Competitive	\$673,590
National Direct	\$246,500
Education Awards	\$1,261,855
Total CNCS Funding Awarded	\$3,911,233

In addition to the federal funding from CNCS, these AmeriCorps grantees will leverage an additional **\$8,520,820** in matching support and other resources. Together, they will engage a total of **217** AmeriCorps members in national service.

The following table outlines the successful AmeriCorps grantees in Connecticut. Details include the name and location of the program, funding amounts, and number of AmeriCorps members serving.

Code*	Type**	Grantee Name	Program Name	District	City	Funding	Ed. Award	Members
